

Pre-Primary Parent Information Booklet 2017

St Lawrence Primary School

*The vision of St Lawrence
Catholic Primary School Balcatta,
is to share the message
of God's love and friendship
in a community of learners, developing the full
potential of each child.*

*The school endeavours to provide a family
atmosphere of openness, truthfulness and
acceptance of different backgrounds and needs.*

*This community promotes the dignity of each
member by developing freedom, uniqueness,
self-worth and respect for others.*

*It focuses on the total development
of the individual child.*

ALL I EVER REALLY NEED TO KNOW
I LEARNT IN PRE PRIMARY

Most of what I really need to know about how to live and what to do and how to be, I learnt in Pre Primary. Wisdom was not at the top of the graduate mountain, but there in the sandbox at Pre Primary.

These are the things I learnt:

Share everything; Play fair. Don't hit people. Put things back where you found them. Clean up your own mess. Don't take things that aren't yours. Say you're sorry when you hurt somebody. Wash your hands before you eat. Flush. Live a balanced life. Learn some and think some and draw and paint and sing and dance and play and work every day some.

When you go out into the world, watch for traffic, hold hands and stick together. Be aware of wonder. Remember the little seed in the plastic cup. The roots go down and the plant goes up and nobody really knows how or why, but we are all like that.

Think of what a better world it would be if we all - the whole world - had a basic policy in our nations to always put things back where we found them and cleaned up our own mess. And it is still true; no matter how old you are, when you go out into the world, it is better to hold hands and stick together.

Dear Parents,

Welcome to St Lawrence Pre-Primary.

In this booklet you will find important information, which will help you to understand the operation of the Pre-Primary.

In the classroom your child will be working with myself and Mrs Adelaida Baker the Educational Assistant. We will work together to scaffold your children's learning to provide the children with as many valuable experiences as possible.

The first day of Pre-Primary is a milestone in the life of your child - a day when he or she begins to forge ahead towards independence in a new environment. Teachers, peers, and friends begin to influence and nurture development. Let us help your child to enjoy life as they discover the beauty in themselves, in others, and in the world around them.

Children first and foremost learn by experiencing their world through play and interaction with other children and adults. Our priority is the happiness of your child. We consider communication between school and home very important. I encourage you to become involved as much as you can. If you have any queries, concerns or suggestions please do not hesitate to contact me.

Thank you for your support

Laura Byrne

Pre-Primary Teacher

CLASS TIMES

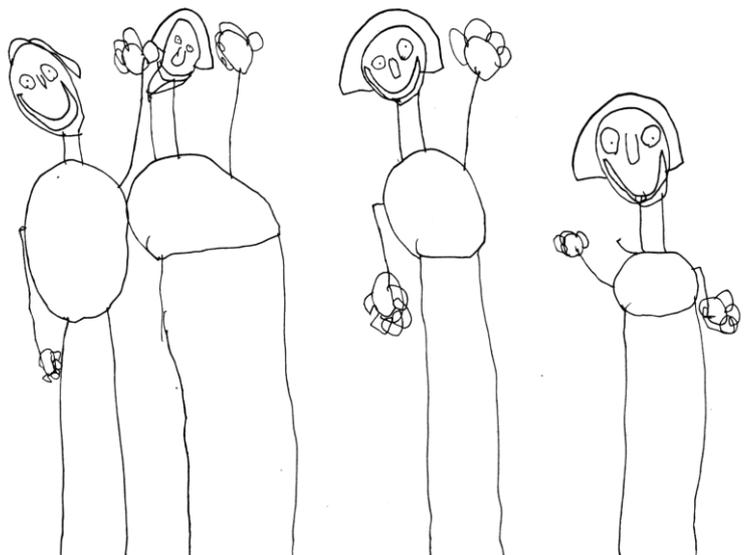

The children will attend Pre Primary fulltime from the commencement of term 1.

Class doors open at 8.30am. Pre-Primary students need to be punctual as lessons begin at 8.40am.

Pick up time from Pre-Primary is from 2.50pm. This enables you to collect your child from the classroom and avoid congestion in the carpark.

WHEN YOUR CHILD GOES TO PRE-PRIMARY

- ✚ Be positive and encouraging when work is brought home for you to see.*
- ✚ Remember that children have to develop skills before they can produce an end product. When work is brought home please praise and encourage your child and discuss the process and learning that was involved.*
- ✚ Treat your child as a unique individual who is developing at his/her own rate. Please do not compare your child to others.*

DISCIPLINE

The Pre Primary discipline policy encourages children to be responsible through making good choices. Responsibility is encouraged through the development of self-confidence, self-reliance and self-direction in a secure and democratic setting where children have clearly defined limits. The children are involved in these limits that will be enforced consistently and fairly. Through this process children will come to understand the positive and negative consequences of their actions. The role of the Pre Primary staff is to encourage positive behaviour (through positive reinforcement) therefore encouraging the children to make good choices. Children are assisted and encouraged to problem solve minor issues as they arise.

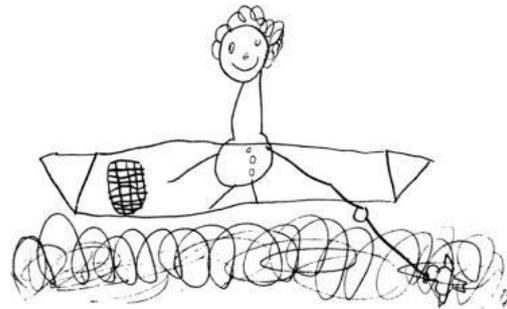

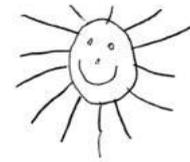

Consequences of undesirable behaviour

Verbal warnings

Offer the child a choice

Time out to "sit and think" about the problem and how it might be "solved", discussion with the teacher.

Contact made with parents when needed.

HANDWRITING

In the junior years we use NSW Foundation font. It is important that the children are aware that many printing styles exist, however you can help them by modelling NSW Foundation font at home. Here's a sample of the font:

*a b c d e f g h i j k l m n o p q r
s t u v w x y z
A B C D E F G H I J K L M N
O P Q R S T U V W X Y Z
0 1 2 3 4 5 6 7 8 9*

Sample Books

In Pre Primary your child will have an A3 sample book. The book will contain a variety of work samples and photographs of your child work across various learning areas. At the end of the year the book will go home with your child and remain at home as a memento for you and your child of their growth and experiences in Pre Primary.

Reports:

In Pre Primary reports are now mandatory. Your child will receive a report each semester that will reflect their effort as well as attainment of the skills set out by the curriculum.

INTERVIEWS

Towards the end of Term 1 and Term 3 formal Parent /Teacher interviews are held. This provides the opportunity for discussion on how your child is progressing. Parents are welcome to request an interview at any time to discuss your child's progress.

SPECIALIST TEACHERS

Library

Borrowing books from the library is a special time for the children. Please remind/encourage your child to bring their book and Library bag on a Wednesday.

Italian

The children have Italian each Tuesday.

Music

The children have Drama every Friday for semester one and Music each Friday in semester two.

Physical Education

The children will have two lessons per week.

Term 1: Tuesday and Thursday

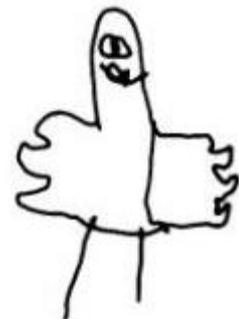

Term 2, 3, 4: Monday and Thursday

It is important that children wear shorts, t-shirts and sports shoes.

NEWSLETTERS

*Newsletters are emailed every Wednesday. They are also available on the school website,
www.stlawbal.wa.edu.au*

Newsletters contain class news, school news and lists merit award winners on the weeks that there are assemblies.

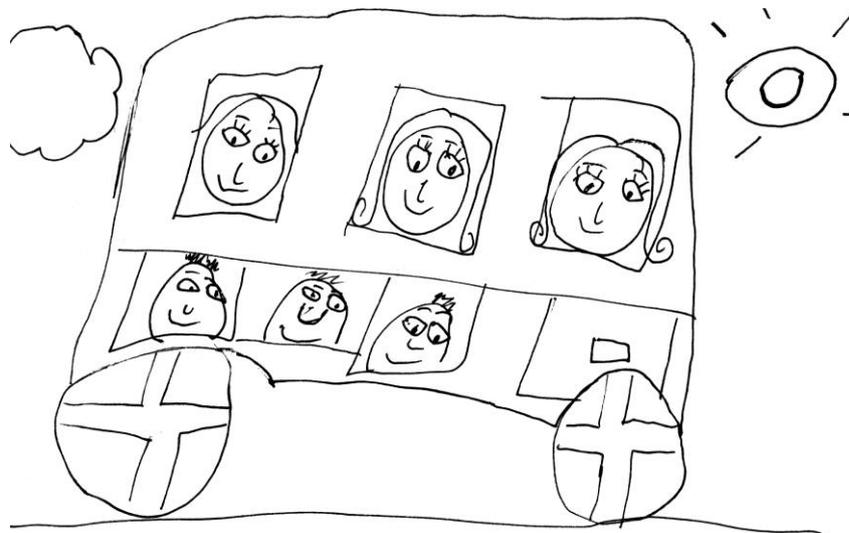

PARENTS AND FRIENDS ASSOCIATION

The P & F is a fundraising group within the school which enables us to obtain necessary resources and equipment. Parents are encouraged to attend the monthly meetings to offer help, support and ideas for fund raising.

EXCURSIONS/INCURSIONS

Throughout the year the children will participate in excursions/incursions. The nature of these is dependent on the education program within the classroom, and may vary from year to year. The school has its own bus and this helps to minimise the costs of these excursions. It is school policy that a child will only be allowed to attend excursions when written permission has been given by the parent/guardian.

CLOTHING

The children do not wear a uniform in Pre Primary. As the children will be playing in sand and handling paints it is best to dress them in practical and easily washed clothes.

WHAT TO BRING ON THE FIRST DAY

Children should bring:

*1 set of **spare clothes** (to be kept in your child's bag)*

Please ensure that your child's clothing is clearly labelled.

*A **hat** is required every day. St Lawrence has a "no hat, no play" rule. It is preferred that you leave the children's hats in their cubby holes at the end of the day.*

*Please provide a **full drink bottle** filled with water for your child each day. It is important for children to have easy access to drinks throughout the day particularly in hot weather.*

Booklist items:

*Please ensure these are **brought in on the first day in a plastic bag with your child's name clearly written on the outside.** Items such as pencils, glue, scissors etc. will be shared items and do not need to be labelled.*

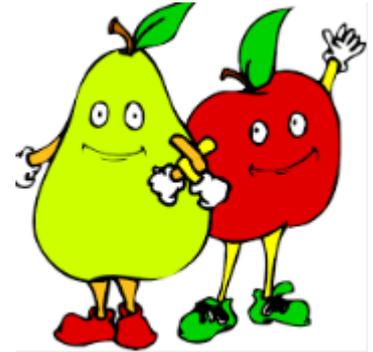

These items need to be labelled:

- ***Black A3 sample book** (with clear plastic sleeve on front cover – see booklist)*
- ***scrap books***

MORNING TEA

Fruit or healthy snack

Children eat morning tea together as a class group but children will eat their own piece of fruit. We ask that you remember to pack a piece of fruit and a healthy snack e.g cheese, dried fruit, muesli bar that your child enjoys eating.

LUNCH TIME

Please send a healthy lunch to school with your child each day. When children do not eat all of their lunch the remainder will be sent home.

Lunch orders will be available on Wednesday, Thursday and Friday. Please place orders in the lunch order basket inside Pre Primary.

Staggered starting times

For our first day we are going to stagger the start time of the children to reduce the volume of people in the classroom which should help to reduce stress for the children. Each group has 15 minutes to settle their child before leaving and allowing the next group to enter the classroom.

PARENT INVOLVEMENT

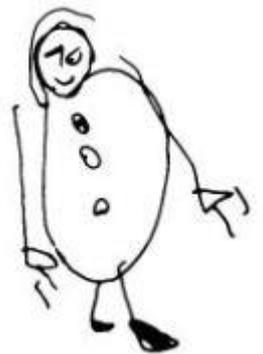

Parents are encouraged to join the roster to assist in the classroom. Please write your name on the roster provided in Pre-Primary at the commencement of Term 1. Your participation in your child's Pre-Primary days is very important both for your understanding of the purpose of Pre-Primary education and for your child's self-esteem.

CONFIDENTIALITY

Parental assistance in classrooms is something for which the teachers at St Lawrence Primary School are very appreciative. It must be stressed that classroom volunteers should be very careful not to discuss with others the behaviour or academic performance of students.

ARRIVAL & DEPARTURE

Children in Pre-Primary must be escorted to the classroom by their parents or guardian. Children are not to walk through the carpark unsupervised.

Parents or guardians may park and collect their child from the classroom at 2.50pm. Should you wish to use the drive-through facility, you will need to advise the teacher. These children will be escorted and supervised from 3pm to 3.15pm by the Education Assistant on the lawn outside the front office area.

Once the parent or guardian arrives at the drive through then the Education Assistant will release the Pre-Primary child. After 3.15pm any remaining Pre-Primary children will be brought into the office and may be collected by

older siblings, upon the parent or guardian's arrival. Please be punctual. When you drop your child off in the morning keep your goodbyes short as prolonged goodbyes very often cause stress to the child resulting in them getting upset.

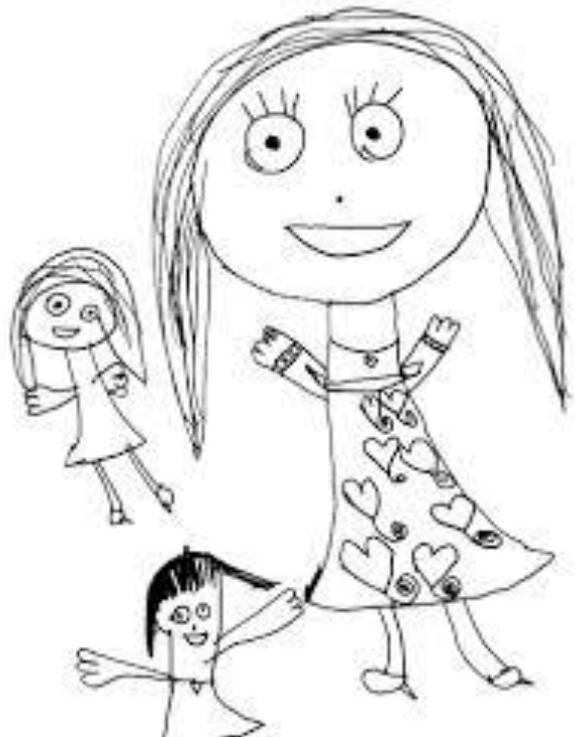

Always endeavour to be punctual as it can be very distressing for the children when they are not picked up on time.

It is extremely important that you notify the Pre-Primary Teacher if your child is going to be collected by anyone other than yourself. A logbook will be placed within easy access so that parents can enter in changes. e.g. if someone else will be picking up your child or if your child will be leaving early for any reason.

If you need to collect your child early for any reason during the day, please visit the office first to "sign out" your child, collect a token and then collect your child from the classroom. This procedure is set in place as part of St. Lawrence duty of care. Parents who are coming in on roster will need to go to the office and collect a visitors badge before coming into Pre-Primary.

HEALTH

If your child is unwell before school, please do not send him or her to school. Coughs, colds and tummy upsets spread very quickly in an early childhood environment.

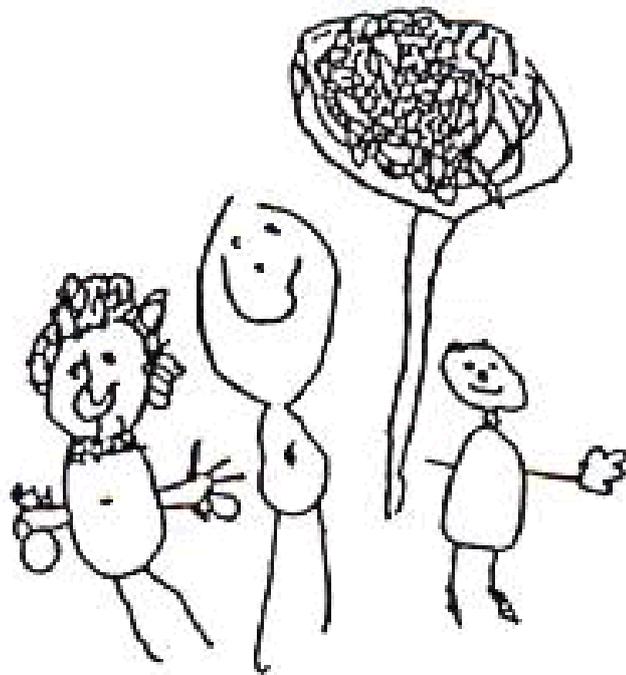

ABSENCE

*Please keep sick children at home until they have fully recovered. You are required to notify the school office and class teacher by 8.30am if your child will not be attending school for the day and the reason for absence. You may contact the office on 93444944 or email: **admin@stlawbal.wa.edu.au***

For legal purposes and correct class roll record keeping, parents must send an email or note to the class teacher stating the date and reason for the absence from class.

Prolonged absence from school needs to be discussed with the teacher and a request placed in writing to the Principal. The letter should contain the dates of foreseen absence and the reason for it. (e.g. family holiday)
